

ST. ANDREWS STATEMENT OF FINANCIAL RESPONSIBILITY

To be completed by INTERNATIONAL APPLICANTS on, or intending to be on, F-1 status.

This Must Accompany the International Application for Admission

Please Note: The admission process is not complete until this form has been submitted with the requested certification. Visa documents are issued only when all admission procedures have been satisfied. As an international student applicant, you are required by the United States federal regulations to certify that you have sufficient funds to cover your expenses at St. Andrews for the entire length of your studies.

In computing your expenses, you should bear in mind that those students holding Student (F) visa will not be authorized to work except under extraordinary circumstances. Therefore, the applicant should not look to employment, either part-time during the academic year or full-time during the summer, as a significant means of support while at St. Andrews. Spouses of F-1 student visa holders are not permitted to work under any circumstances.

Directions of Applicants

U.S. immigration law requires proof of support for your entire program of study; therefore, in the table on the next page, please enter the amount and source of funds you expect to have available to you for each year of your program. We must see funding in place for the first year, and a guaranteed source of funding for the subsequent years. If your source of financial support is personal or a family or private sponsor, you must attach an original, current (within the past six months) bank statement showing funds sufficient for at least your first year's expenses.

Note: It will be helpful for you to have two originals of each type of financial documentation. Send one set of originals with your financial certificate, in order for St. Andrews to issue the visa document. Also, keep one set of originals for yourself because they may be required at the U.S. Embassy or Consulate when you apply for your visa, and they may be required again upon entry to the U.S. during immigration inspection.
