

ST. ANDREWS

The St. Andrews Presbyterian College athletics program is a National Collegiate Athletic Association Division II member of the Conference Carolinas. The program seeks to provide a positive, competitive, co-curricular experience that supplements students' academic work and promotes the values of good sportsmanship, teamwork and leadership development. The academic progress of student-athletes is encouraged, and their educational goals are supported by participation in intercollegiate athletics.

About Komen

Nancy G. Brinker promised her dying sister, Susan G. Komen, that she would do everything in her power to end breast cancer forever. In 1982, that promise became Susan G. Komen for the Cure and launched the global breast cancer movement. Today, Komen for the Cure is the world's largest grassroots network of breast cancer survivors and activists fighting to save lives, empower people, ensure quality care for all and energize science to find the cures. Thanks to events like those organized under the Passionately Pink theme, Komen for the Cure has invested nearly \$1 billion to fulfill the promise, becoming the largest source of nonprofit funds dedicated to the fight against breast cancer in the world.
