Textbook Information and Policies

This site was designed to provide students with textbook information for classes offered by St. Andrews University.

1. This site will be updated as new information is provided by faculty and textbook publishers.
2. Be aware that textbook information can change at any time (publisher and edition upgrades, faculty changes, etc.). The University is not responsible for information used on this site for purchases of textbooks from sources other than the St. Andrews University Bookstore.
3. **Please be advised: Publisher price changes are beyond the control of the institution. Textbook prices (included those posted on this site) are subject to change.**
4. Students purchasing textbooks from the St. Andrews bookstore are protected under the University's return policies.
5. Return Policy for textbooks purchased at the St. Andrews bookstore:
 - a. No exchanges or refunds without a receipt
 - b. Textbook refunds will be given only with a copy of your new schedule or a form signed by the instructor or Department Chair
 - c. Full refunds will be given on new unmarked books – refunds cannot be given on USED book unless there is still a need for these texts (this determination will be made by the Bookstore Manager)
 - d. The opportunity to secure a full refund expires one week after the drop/add period ends for a given semester
 - e. Books for which you cannot get a refund can probably be sold to the book dealer who will be on campus buying books (Books Buyback) at the end of the Fall and Spring terms.
6. New versus Used Books: Whenever possible used textbooks will be made available at the St. Andrews bookstore on a first-come basis.
