Fax: (910) 277-5272
Email: hernandezse@sapc.edu

In order to make an Official Paid Visit to St. Andrews Presbyterian College or any NCAA Division II institution, you must first register with the NCAA Eligibility Center. All high school student-athletes should initiate this process early because practice, competition and even travel with the team will be limited until certification is final. In order to compete or travel you must receive certification from the NCAA Eligibility Center.

Please note that additional information, including the amateurism portion of the NCAA Eligibility Center and core course requirements can be found on the Clearinghouse website: web1.ncaa.org/eligibilitycenter. If you have any further questions concerning your eligibility please ask your guidance counselor, future college coach, or the NCAA Eligibility Center at 877-262-1492.
