

1104 Conference Carolinas Student-Athletes Represented in 2010 Fall Presidential Honor Roll

Limestone edges Pfeiffer with most student-athletes represented

FOR IMMEDIATE RELEASE: Monday, January 24, 2011

High Point, N.C.> Conference Carolinas is proud to announce that 1104 student-athletes have been named to the 2010 Fall Presidential Honor Roll. Each institution within the conference has emphasized their commitment to academic importance as they have continued to have student-athletes achieve a grade point average of 3.2 or higher (on a 4.0 scale) at each of their institutions to achieve this honor.

Conference Carolinas continues to emphasize “Academics and Athletics Working Together” as each school strives to grow their Presidential Honor Roll each and every year. The new Presidential Honor Roll recognizes student-athletes who have earned a 3.20 grade-point average (up from 3.00 in previous years) on a 4.00 scale for the semester and includes freshman and transfer student athletes (that have participated in either a conference or non-conference sponsored sport).

The Conference Carolinas Presidential Honor Roll is awarded twice a year covering each of the fall and spring academic semesters and is based on meeting the criteria at the end of the previous semester. For the 2010 Fall Season, Limestone College led all league members with 148 student-athletes represented. They were followed closely by Pfeiffer University with 141 and Queens University of Charlotte with 137 honorees.

Conference Carolinas is a premier NCAA Division II athletics conference made up of 11 schools from North Carolina and South Carolina. These institutions consist of: Barton College, Belmont Abbey College, Coker College, Converse College, Erskine College, Lees-McRae College, Limestone College, Mount Olive College, Pfeiffer University, Queens University of Charlotte, and St. Andrews Presbyterian College.
