

## Conference Carolinas Announces Spring Presidential Honor Roll Ninety-Eight St. Andrews Student-Athletes Honored

August 4, 2009

**HIGH POINT, N.C.**—Conference Carolinas is proud to announce the Presidential Honor Roll for the spring semester of 2009. Each institution within the conference has emphasized their commitment to academic importance as they have continued to have student-athletes achieve a grade point average of 3.0 or higher (on a 4.0 scale) at their institutions. As our conference continues to emphasize “Academics and Athletics Working Together” we strive to increase our Presidential Honor Roll each year in order to become a frontrunner within NCAA Division II.
