Tips

- If your career is clearly defined, graduate school is for you!
- Two types of degrees:
 - Academic – pursue original research
 - Professional – application of knowledge
- What you need to apply:
 - Entrance Exam Scores
 - Recommendations
 - Personal Essay
 - Official Transcripts
 - Application and Fee
- Deadlines – Check your school’s website. Generally January 1 to April 15 to start in the Fall.
- Test scores often take six weeks
- Many schools require that applications be *totally complete* by the deadline
