

Community Service

The St. Andrews Mission Statement emphasizes the College's role in educating "its students to be knowledgeable and imaginative servant-leaders" who are prepared to lead and serve in the world. To that end, there are many opportunities available at St. Andrews for students who want to participate in service-learning as a part of their courses, as volunteers at local nonprofit organizations, and as members of domestic and international Alternative Spring Break Service trips. For more information about service opportunities, contact the Office of Student Affairs at 910-277-5145.
