

### **Eligibility Rules for Extracurricular Activities**

All students placed by the Faculty Executive Committee in the category “Academic Probation” may not be eligible to participate in any major extracurricular activity, e.g.: intercollegiate athletics, drama productions, offices and standing Student Association committees, and musical organizations. In unusual circumstances, when the Dean of the College has ascertained that a student’s academic performance will not be adversely affected, the Dean may, as part of the conditions of the student’s continued enrollment at the College, allow limited participation in selected extracurricular activities.

A student who is placed on academic probation in two consecutive semesters, and who does not get off academic probation prior to the beginning of the next semester will be ineligible to participate in any major extracurricular activity. Students found responsible for Community Code violations are normally ineligible to participate in major extracurricular activities for 12 months following the finding.
