

System of Grading

Each student receives a grade in each course at the close of the semester. The grading system is as follows:

Grade Points

A 4.0

A- 3.7

A range: The student's performance has been excellent in all phases of the course. The student has demonstrated mastery of the course objectives. The student is well qualified for subsequent courses in this subject area and may be expected to perform well in such courses. In a work situation in this content area, commensurate with the level of the course, the student may be expected to work successfully, independently without supervision, and to make a meaningful contribution.

B+ 3.3

B 3.0

B- 2.7

B range: The student's performance has been excellent in some phases of the course and good in most of the remaining areas of the course. The student has demonstrated a clear understanding of the course objectives. The student is prepared to take subsequent courses in this subject area and may be expected to perform reasonably well in such courses. In a work situation in this content area, commensurate with the level of this course, the student may be expected to work well with some supervision.

C+ 2.3

C 2.0

C- 1.7

C range: The student's performance has been satisfactory. The student has demonstrated a basic comprehension of the course objectives. The student is qualified to take subsequent courses in this subject area but may perform only at a minimally adequate level in such courses. In a work situation in this content area, commensurate with the level of this course, the student may be expected to perform adequately given close supervision.

D 1.0

The student's performance has been less than satisfactory, yet merits a passing grade. The student has demonstrated only a minimal familiarity with the course objectives. The student is poorly prepared to take the next course in this subject area. In a work situation in this content area, commensurate with the level of the course, the student may be expected to be able to perform only the most rudimentary tasks and only with constant supervision.

F 0.0

A grade of F indicates failure in the course. The student has not demonstrated knowledge or understanding of any meaningful portion of the course objectives. The student is not qualified to take subsequent courses in this subject area nor to engage in a work situation in this content area commensurate with the level of this course.

W 0.0

A grade of W indicates withdrawal from class and will be recorded, but will not be counted as a course attempted when computing the GPA

WM 0.0

Withdrawal Medical: When a student must withdraw from the College after the drop/add deadline, prior to taking the final exam, and the student has documented medical evidence, the instructor will be asked to assign a grade of WM. A WM does not impact the students' GPA

I 0.0

A temporary grade of I indicates an incomplete for a course.

P 0.0

A grade of P indicates that a student's work merits a passing grade. The grade of P will be recorded, but will not be counted as a course attempted when computing the G.P.A.

NA 0.0

Grade not available at the time grades were compiled (assigned by the Registrar).

AU 0.0
