Social Events

Many opportunities for involvement in social activities are provided for St. Andrews students. Catering to a diverse student body, St. Andrews offers something for everyone. An array of social events sponsored by residence halls, the Student Activities Union, and other clubs and organizations fill the calendar. Movies, parties, dances, athletics events, performing artists, comedians, coffeehouse entertainment, novelty/variety shows, and intramural competitions are all highly anticipated events. Games, contests and lots of Knight spirit come together each fall as the entire community comes out to celebrate Knights Fest, a homecoming style event. ExtravaGANZA is a week-long event held annually each spring with many traditional, fun events scheduled including two nights of live music. Student groups may elect to host an event on campus in one of several venues. Students may reserve a specific venue through the Assistant Dean of Students, including Carol Grotnes Belk Main Room, The Knight Life, and Farrago.

St. Andrews Student Government Association

The Student Government Association (SGA) is the official representation of the student body. One of the main purposes of the SGA is to foster communication between the administration and the student body. SGA functions as an administrative body and as a service to all community members. The SGA is able to represent student opinion on College committees, and the president and vice president are able to attend faculty meetings. Students are encouraged to take advantage of what the SGA offers. Students are represented by Senators who are elected to ensure that their constituents' concerns regarding College affairs are dealt with as effectively as possible. In addition, all SGA officers welcome input from students who wish to share their views. SGA is the administration's primary source of student opinion. The administration and faculty value student opinion and involvement, and urge students to take advantage of their power, constructively, by becoming active members of the SGA.

Student Organizations

Clubs and organizations at St. Andrews encompass a variety of interests including academic, athletic, religious, political, and social. Membership in most is open to any interested individual; a few require a selection process. If by some chance a student cannot find a club that meets his/her interest, the Office of Student Activities will assist in organizing one that does. Students wishing to learn more about general student activities as well as clubs and organizations should contact the Assistant Dean of Students in the Office of Student Affairs at 910-277-5148.
