

St. Andrews Online

St. Andrews Online provides online classes to supplement its traditional offerings. St. Andrews Online brings the classroom to students, offering flexibility and accessibility. Online courses are accessible from anywhere. Online courses are delivered through a user-friendly online learning platform. Students and instructors can exchange ideas, experiences and knowledge, while interacting almost as if they are physically present in the same room.

Financial aid is available to qualified students.

A baccalaureate degree from St. Andrews requires successful completion of 120 semester hours within approved curriculum requirements. Credits transferred to St. Andrews must be earned from a regionally accredited institution. Students currently enrolled must submit an official transcript at the time of application.

Prospective students interested in online courses may request additional information from St. Andrews, 1-800-763-0198 or at www.sapc.edu.
