

## **Campus Life and Resources at St. Andrews**

Life beyond the classroom at St. Andrews is also a vital part of the liberal arts college experience. There are many opportunities for students to enrich their educational experiences in the St. Andrews living and learning environment through extracurricular and recreational activities, residence hall programs, athletics, equestrian events, intramurals, social events, clubs and organizations, student governance programs, religious and spiritual programs, community service projects and trips, and leadership activities. In addition to campus wide activities and events, a broad range of support services is offered to support the total well being of St. Andrews students.
