## **Course Numbering**

In general, courses numbered between 100-299 are designed for first-year students and sophomores; between 300-499 for juniors and seniors. A yearlong course is indicated by joining the course numbers for the two semesters with a hyphen, e.g.: 101-102. Courses preceded by an "X"-e.g.: X90, X95, X98, or X99-indicate that the course may be offered at any level. Course numbers preceded by a "0", as in 070, do not count toward meeting graduation requirements.

While every effort is made to schedule a well-balanced list of courses each year, some courses are offered only in alternate years. Contact the department chairperson for course availability.
