

Campus Life and Resources at St. Andrews

Dining at Crossroads and Café à la Carte

Crossroads, the campus cafeteria, is located in the Belk Center and serves three meals daily (brunch on Saturday and Sunday). In addition to traditional hot meals, cafeteria fare includes a multi-item salad bar, soup station, a sandwich bar, burgers, dogs and pizza, desserts, and a prepared 'before your eyes' daily special. Café à la Carte (located in the James L. Morgan Liberal Arts Building (Morgan LA) offers prepared to-go items for breakfast and lunch. The cafeteria is open throughout the regular academic year except during campus holidays. Café à la Carte is open while classes are in session. Commuter Students, staff and faculty may purchase a long-term meal ticket.

Even though the college food service offers a range of options to meet the nutritional requirements of most students, there may be circumstances in which the selections must be modified to accommodate the unique dietary needs of a student. For more information about meal plan modifications, contact the Director of Residential Services at 910-277-5753 or consult *The Saltire* student handbook.
