

Readmission of Former Students

Students who have been absent from any St. Andrews campus for one semester or longer and who wish to return to that campus must apply for readmission. The application for readmission is available online and must be returned, to the Office of Admissions, 1700 Dogwood Mile, Laurinburg, NC 28352. There is a \$100 readmission fee for the Laurinburg campus only. The fee is non-refundable even if the applicant cancels. Sandhills and ONLINE students are not charged a readmission fee. Students who have withdrawn voluntarily, while in good standing, will normally be readmitted to the College upon receipt of the application and fee for readmission.

Students who withdraw and/or have been suspended from the College while not in good standing must produce evidence of having corrected any academic, social, or other non-academic deficiencies before their application for readmission is considered. The College reserves the right to determine the suitability of such evidence. Readmission is never automatic. Students who are readmitted after being formally separated from the College must satisfy the graduation and program requirements as specified in the catalog which is in effect at the time of readmission.

Students who have attended other colleges or universities must have a complete and official transcript of that college credit on file in the St. Andrews Office of the Registrar by the registration day of the semester in which they plan to enroll.

No action on readmission will be taken until ALL required materials have been received. Deadlines for receipt are November 15 for spring term, July 15 for fall term, and March 15 for summer term. It is the applicant's responsibility to verify that the application and all required supporting materials are received prior to the deadline.

The readmission decision will be made in light of the above information and after consideration of the student's academic record at St. Andrews. A student will not be readmitted if required progress toward graduation is not feasible, or if continued separation is considered to be in the best interest of the student or the College.

Students who wish to return to St. Andrews through a different campus option must reapply for admission to that campus using the application process for that campus.
