

Special Admission Non-Degree Seeking Students

Individuals who do not wish to pursue a degree may apply and be accepted as non-degree seeking students. A high school diploma is not required for non-degree status; however, students who have graduated from high school within the last two years generally are not admitted as non-degree students, but instead must meet regular admission standards as outlined above for new students. Students under academic and/or disciplinary suspension or probation from this or any other institution may not be admitted in this category.
